January – May 2024 (5 Months)

PUBLISHED story map below with help of NGS

(<https://storymaps.arcgis.com/stories/9cfa71c8ccfa4026a4bec49d2caa1638>)

- Developed skills in content creation, social media management, and donor relations
- learned about interpreting local water challenges into global scale

worked with organisations like (TNC) The Nature Conservancy on real work on solving freshwater challenges.

KCM CSR-TRUST

I was appointed by Brian Siyatubi, the manager of KCM CSR-TRUST, to oversee community fund monitoring. Since October 2, 2024, I have also been developing software to automate this process. For inquiries about the internship or related matters,

you can contact him at +260977400411 or brian.siatubi@kcm.co.zm.

Millennium Fellowship Program ,UNITED NATION 2024

26th SEPT 2024

I was selected for the Millennium Fellowship Program 2024 Cohort, for Sustainable Development Goals. I focus on freshwater conservation awareness, and SDG 6 aims to ensure that everyone has access to safe drinking water and sanitation. It also focuses on the sustainable management of water resources, wastewater, and ecosystems.

Ambassador of Extern

Extern connects education & the workforce with Externships – a new form of work experience that quickly upskills talent and drives economic growth.

April 2024 – Present

- I help connect university students with organisations that offer global programs and opportunities through Extern, involves graphic designing, making ads and much more.
- connect with University students and understand their needs. Engage in organizing workshops, hosting information sessions, and providing mentorship to fellow students.

Skills

- **Digital Skills:** Proficient in Python, HTML, CSS, Linux; Intermediate expertise in Ethical Hacking; Advanced knowledge in Django REST APIs, Squarespace, Canva, and Google CRM systems.

- **Communications Skills:** Demonstrable experience in content creation, social media management, and donor relations.
 - **Software Engineering Skills:** Specialized in Django Framework, with experience in Linux Administration and Python Development.
 - **Organizational Skills:** Strong project management and leadership abilities, with a focus on strategic planning and implementation.
 - **Interpersonal Skills:** Exceptional communication abilities, including writing, verbal, and listening skills.
-

Training

Completed courses in Web Data Analysis (Coursera), Cisco Networking Essentials, Google Business Profiling, Google Analytics, and a Conservation Program from National Geographic Society.

Youth Empowerment Program (YEP) Climate Connect

It is a 10-week program that focuses on Climate Change Advocacy and Research. The initiative is designed to empower young individuals with essential knowledge and skills, transforming them into influential advocates and researchers dedicated to combating climate change.
